Ernest A. Beutler
Reg. No. 19901**PETITION TO REVIVE UNDER 37 CFR 1.17(m)**

Dear Sir:

It is believed that this case may be considered abandoned in light of the failure of the undersigned to file a notice of appeal by the final due date of December 4, 2003 for response to the Final Rejection, dated June 4, 2003. A timely amendment after final was filed timely via fax on September 3, 2003, and the undersigned has been tracking the prosecution periodically, but the PAIR records still do not show its receipt. Although it is believed that that amendment, if entered would place the case in condition for allowance, it is understood by the undersigned that the statutory period can not be extended. However due to relocating his Office at the critical time the date was missed and this was unintentional as applicant has always intended to prosecute this case to allowance. It is also most respectfully submitted that a timely response to the proposed amendment should have been made by the Examiner and that the fee should be waived or at least reduced. In any event, a credit card authorization for the full fee and Notice of Appeal and the associated fee is also attached.

Respectfully submitted:

Ernest A. Beutler

NOTICE OF APPEAL

Dear Sir:
